Main Lesson

For writing today let's write on page 13 'The little Twig is now the Prince of Butterflies.'

You may pause the recording now.

We listened to the story of 'The Little Seed' yesterday, please retell or summarise the story to your parents.

After that, draw the form drawing as the border on page 14 with your stick crayon.

Then draw the Cherry tree with children on page 14.

That's it for this term, well done everyone. Enjoy your well-earned holidays!
