Good morning class 1.

Recently we entered the daylight-saving time and this may have effected your daily routine. Wriggle your pinky if you find it hard to get up in the morning (I am wriggling mine).

Well, it's a good idea to practice getting up a little earlier each day from now on, so when it comes to Monday next week, you can be fully adjusted to the full day at school.

All right, let's start with the sentence fixer.

Fix it up:

Can	boy	the	?	catch	crystal	the
-----	-----	-----	---	-------	---------	-----

This sentence is out of order.

Please use your sharp eyes and clever hands to put them right.

Write the correct sentence into your practice book.

Uncover My Number

What number should be put in place of the \* (star)?

$$20 \div * = 2$$

(Ans: 10)

Main Lesson

Please download the daily file and follow the instructions to complete the Form Drawing in your yellow Form Drawing book.

For today's craft activity, we will be making a Christmas Tree with 8 circles. The file is on the website so please download it and follow the instructions to complete the card.

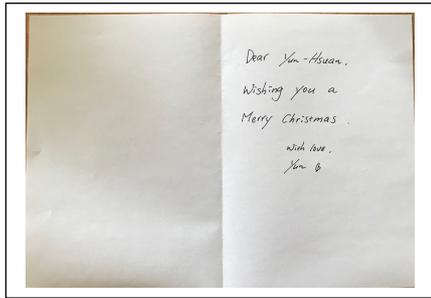

Once the card is done, get the two envelopes you made on Monday along with the stamps and the address labels.

I've put up a [sample](#) so you can refer to that.

Write:

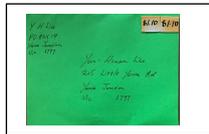

Dear \_\_\_\_\_ (*the name of your buddy/buddies/family*),  
Wishing you a Merry Christmas.  
(*or write more if you wish*)

With love  
\_\_\_\_\_ (*your name*)

Then stick/write the address on the front of the envelope; there are two places you can write your own address, one on the front in the top-left corner and one on the back. I like to write it on the front. See [sample](#) below.

After that, peel the stamps (\$2.20 in total) and stick two stamps to the front top right of the envelope (please use your REAL stamps, I don't have one at home 😊).

When you go for your daily walk some time, place the envelopes in the red post box.

Please let me know when you have posted the envelopes (with cards inside, of course!) so I can inform the grade 6s.

That's it for today.  
I'll talk to you tomorrow.
